## Bottom Line Ministries

Frank Reed is a highly insightful and effective financial coach, book author of "In God We Trust Dollars & Sense", and speaker with an innovative approach to financial freedom and to debt free living. He empowers people with a profound truth: Debt is Not Your Destiny! He introduces you to a new way of looking at the wisdom of the ages.

Frank has shared this knowledge over the years at home and abroad in Kampala, Uganda and Ireland. Some of his noteworthy clients include: The Chamber of

Commerce, the Virginia Fatherhood Campaign, Blacks In Government (BIG-the Seattle Washington chapter), colleges as well as local and international faith-based organizations.

Frank has twenty-five years of experience in management (Shipbuilding), planning, production control, engineering, coordination of personnel, schedules and materials, resolving personnel conflicts and customer (Vendor & Naval) grievances. He has provided insight for leadership and customer service. He has served as a Grant Review Expert Panel Member for the National Fatherhood Initiative; and Department of Labor, deciding the distribution of federal funding, up to several million dollars in grants awarded.

His goal is to help you to achieve financial freedom, building hope for your future and leaving a debt free legacy for your family.

### Get To Your Financial Freedom

It is Frank's mission and passion to help people manage their finances, so they can obtain financial freedom and remain debt free. Frank uses biblical principles and many years of experience as his reference point for you to become debt free.

Working with Frank and reading his book you will become aware how important it is to make a plan; being committed to that plan, has to do with your success. To take ownership of your financial future and to pay off debt such as credit cards, car loans, student loans, etc. and become debt free.

Working with Frank's effective system: E.S.P. (Earn it, Save it, Protect it) you will become enlightened in how to manage your finances.

### Testimonials

Frank has written a book that is both entertaining and enlightening. It provides a well-defined plan for reducing debt using the words of the Bible to clearly draw a path to financial freedom.

I acknowledge my own challenges and struggles with a sense of "who am I to do this project?" I recently had a discussion with, Mr. Frank Reed, a big presentation speaker here in Seattle.

The day I got a hold of Frank Reeds book: In God We Trust Dollar\$ & Sense is the day that my path turned toward my savior. Packed in this book are so many answers as to how God is the creator of all things.

## Frank Reed's Book

Credit cards and consumer debt have all but taken over our economy. There are many people with maxed out credit cards, and the majority of them are behind

on their credit card payments. The reason why so many people live in this state of financial anesthesia is that they feel the pain of struggling from day to day.

They anesthetize themselves with drugs, alcohol, and buying things they cannot afford, trying to find some meaning to this ever-elusive drama they call life; when it isn't really living at all. Frank has written a book that is both entertaining and enlightening. It provides a well-defined plan for reducing debt using biblical principles to clearly draw a path to financial freedom.
